To propose that the Senedd:

1. Notes that Eating Disorders Awareness Week 2022 takes place from 28 February to 6 March 2022.

4. Regrets that treatment for those affected in Wales varies greatly depending on age, diagnosis and location.
5. Calls on the Welsh Government to:
 - a) commit to increasing the resources allocated to mental health year on year over the course of the next five years and holding health boards to account over their investment in eating disorders services;
 - b) publish a new framework for eating disorder services that contains timelines for the achievement of targets, focussing on:
 - i) early intervention and prevention;
 - ii) integrated care;
 - iii) support for families and other carers;
 - iv) investment in the workforce, including support for staff wellbeing;
 - c) re-establish and maintain clinical leadership over eating disorder service provision at a national level.
 - d) fund an eating disorders clinical audit to ensure that all health boards collect and report a standard and comprehensive set of high-quality data.

The following amendments have been tabled:

Amendment 1 [Lesley Griffiths \(Wrexham\)](#)

Delete all after point 2 and replace with:

Calls on the Welsh Government to:

a) commit to continue the improvement of eating disorder services across Wales, with increased investment to support this;

b) strengthen the clinical leadership required to drive these improvements.

[If Amendment 1 is agreed, Amendment 2 will be de-selected]
