  - a) ensure that Article 16 of the United Nations Convention on the Rights of the Child, a child's right to privacy, is upheld within Wales;
  - b) ensure that schools and childcare settings are using non-biometric technologies for services, rather than using biometric systems that may compromise the security of children's biometric data;

c) ensure appropriate risk assessments and procurement processes of technology companies within educational settings are put in place;

d) acknowledge the potential harms from the unregulated use of biometric data;
