To propose that the Senedd:

1. Notes the resignation of the Head of Investigations at the Public Services Ombudsman for Wales.

2. Expresses its concern that the political impartiality of the Office of the Public Services Ombudsman for Wales has been compromised.

3. Notes that:

a) the Public Services Ombudsman for Wales has appointed a senior barrister to investigate allegations of political impartiality; and

b) the person appointed is James Goudie KC.

4. Does not believe that the appointment is appropriate given that James Goudie KC is a former Labour parliamentary candidate, a former chairman of the Society of Labour Lawyers, a former Labour spokesman for Legal Affairs in the House of Lords, and a former Labour leader of Brent Council.

5. In accordance with Standing Order 17.2, instructs the Finance Committee to urgently review the operations, processes and investigations carried out by the Public Services Ombudsman for Wales to ensure:

a) that impartiality and fairness are present throughout the employment of the former Head of Investigations; and

b) that the Senedd can have confidence that the office is able to undertake future investigations with impartiality and fairness.

6. Calls upon the Public Services Ombudsman for Wales to disclose the terms of the departure of the former Head of Investigations, in the interest of public scrutiny.

The following amendment was tabled:

Amendment 1 [Jane Hutt \(Vale of Glamorgan\)](#)

Delete all and replace with:

To propose that the Senedd:

1. Notes:

- a) the resignation of the Head of Investigations at the Public Services Ombudsman for Wales;
- b) that the Ombudsman has appointed a senior barrister to investigate allegations;
- c) that as a 'listed authority' subject to the supervision of the Ombudsman, it would not be appropriate for the Welsh Government to comment on the investigation; and
- d) the expectation of the Senedd for the Ombudsman to report back to the Senedd in due course with the outcome of the investigation.

8 Welsh Conservatives Debate – Transport

(30 mins)

NDM8538 [Darren Millar \(Clwyd West\)](#)

To propose that the Senedd:

1. Believes the Welsh Government's transport policies for Wales are not fit for purpose.
2. Regrets the north and south transport divide in Wales, with £50 million allocated to the North Wales Metro, and over £1 billion to the South Wales Metro.
3. Calls on the Welsh Government to urgently:
 - a) undertake a review of the current road-building tests with a view to implementing all previously scrapped schemes that will boost economic growth or enhance road safety;
 - b) reverse the Restricted Roads (20mph Speed Limit) (Wales) Order 2022 and adopt a targeted approach to 20mph speed limits in Wales; and
 - c) invest in public transport to make buses and trains more competitive with travelling by car.

The following amendments were tabled:

Amendment 1 [Heledd Fychan \(South Wales Central\)](#)

Delete all and replace with:

To propose that the Senedd:

1. Believes:

- a) the Welsh Government's transport policies for Wales are not fit for purpose;
- b) the lack of connectivity between north and south Wales is a regrettable consequence of the fact that decisions about transport are made and controlled by people outside Wales;
- c) the lack of connectivity between north and south Wales stems from historical and current failures to invest in intra-Wales journeys; and
- d) resolving issues within the Welsh transport network will only be possible by devolving all powers over transport to Wales.

2. Calls on Welsh Government to:

- a) reconsider its decision not to launch a legal challenge against the UK Government's decision to designate HS2 an England and Wales project;
- b) act with haste to implement the continuous review of the impact of the new speed limits, as previously agreed by the Senedd's vote in favour of NDM8347 as amended, on 13 September 2023;
- c) prioritise fair funding for buses that places bus funding on an equitable basis to rail funding; and
- d) work with the UK Government to devolve all powers over transport to Wales.

If amendment 1 is agreed, amendment 2 will be de-selected.

Amendment 2 [Jane Hutt \(Vale of Glamorgan\)](#)

Delete all and replace with:

To propose that the Senedd:

- 1. Welcomes the Welsh Government's commitment to listening on a wide range of issues, including transport and connectivity.
- 2. Supports the Welsh Government's approach which recognises:

a) the value Wales's transport infrastructure, including roads, brings to our economy and society; and

b) that the Welsh Government can improve both the way it designs and builds new road infrastructure, and better maintain Wales's existing road network.

3. Welcomes the Welsh Government's recognition of the need to refine the implementation of 20mph speed limits in Wales; including reflecting on the classification guidance, changing speed limits on some roads, and continued engagement with communities.
