6 Welsh Conservatives Debate – The Cass review

(30 mins)

NDM8563 [Darren Millar \(Clwyd West\)](#)

To propose that the Senedd:

1. Notes the Cass review commissioned by NHS England to make recommendations on how to improve NHS gender identity services, which highlighted that there should be extreme caution in prescribing puberty blockers and hormones to under-18s due to a lack of high-quality research into their long-term effects.

2. Welcomes the fact that due to NHS England stopping puberty blockers, this has resulted in there being no pathway for under-18s in Wales to receive puberty blockers.

3. Calls on the Welsh Government to:

a) adopt the recommendations of the Cass review; and

b) ensure that children and their parents are supported with common sense, fact-based guidance.

2. Notes that NHS Wales commissions gender identity services for children and young people 17 and under from NHS England.
3. Notes that NHS England has concluded there is not enough evidence to support the safety or clinical effectiveness of puberty suppressing hormones for the treatment of gender dysphoria in children and young people at this time.
4. Notes the Welsh Government will continue to develop the transgender guidance for schools taking account of the Cass review and stakeholder views.

Amendment 2 [Heledd Fychan \(South Wales Central\)](#)

7 Welsh Conservatives Debate – Leadership campaign donations and the ministerial code

(30 mins)

NDM8562 [Darren Millar \(Clwyd West\)](#)

To propose that the Senedd:

1. Recognises the public concern regarding a potential breach of the Welsh Government's ministerial code in relation to donations received by the First Minister.
2. Notes that the First Minister received a £200,000 donation towards his Welsh Labour leadership campaign from the Dauson Environmental Group Limited following a £400,000 loan to the company from the Development Bank of Wales, and environment-related offences.
3. Calls on the First Minister to appoint an independent advisor to the ministerial code to investigate any conflict of interest that may exist in relation to the donation, with particular reference to points i and ii of paragraph 1.3 of the ministerial code.

The following amendments were tabled:

Amendment 2 [Heledd Fychan \(South Wales Central\)](#)

Add as new point at end of motion:

Regrets:

- a) that the First Minister has not returned the donation to Dauson Environmental; and

3. Agrees that there should be an annual maximum cap on the political donations that any individual Member of the Senedd can receive from any individual or entity.
4. Calls on the Business Committee and the Standards of Conduct Committee to bring forward proposals for changes to the Senedd's Standing Orders and the Members' Code of Conduct that would put the cap into effect.
