2. Notes the decision taken by the UK Government to make changes to agricultural property relief.
3. Recognises the UK Government's changes to agricultural property relief were made in the context of the damage inflicted by the previous UK Government on public services and the £22 billion black hole in public finances.
4. Welcomes the Welsh Government's wide range of support for farmers, including securing the extension of agricultural property relief from April 2025 to include the Sustainable Farming Scheme.

Amendment 2 [Heledd Fychan \(South Wales Central\)](#)

Add as new point at end of motion:

Calls on the Welsh and UK Governments to undertake a detailed assessment of the impact of the tax changes on agricultural businesses, to understand the impact it is likely to have on the sustainability and viability of family farms in Wales.
