5 90 Second Statements (5 mins)

6 Debate on a Member's Legislative Proposal– a Human Rights Bill

(30 mins)

NDM9024 [Sioned Williams \(South Wales West\)](#)

To propose that the Senedd:

1. Notes a proposal for a Human Rights (Wales) Bill.
2. Notes that the purpose of this Bill would be to:
 - a) make select international human rights part of Welsh law so that they are binding on Welsh Ministers and public authorities in the exercise of devolved functions and may be enforced by a court or tribunal;
 - b) make it easier for people in Wales to understand and claim their rights, providing clearer routes to access justice when their rights are not upheld by public bodies; and
 - c) improve monitoring and accountability, ensuring that public bodies and other institutions can be held to account when they fail to uphold these human rights.

7 Welsh Conservatives Debate – Restricting social media for under-16s

(60 mins)

NDM9149 [Paul Davies \(Preseli Pembrokeshire\)](#)

To propose that the Senedd:

Calls on the UK Government to restrict access to social media for children under 16.

The following amendment was tabled:

Amendment 1 [Jane Hutt \(Vale of Glamorgan\)](#)

Delete all and replace with:

To propose that the Senedd:

1. Welcomes the UK Government's forthcoming consultation on access to social media for children under 16, and recognises the need for:
 - a) ongoing collaboration between the UK and Welsh Governments in tackling these issues and the harm to children and young people;
 - b) evidence-based decisions that ensure social media is also safer for young people over 16 and adults;

- c) social media companies to be held responsible for the harmful content on their sites, with existing legislation enforced and strengthened; and
- d) a diverse range of children and young people to be engaged in the debate and their perspectives taken into account

8 Plaid Cymru Debate – Devolution of justice and policing

(60 mins)

NDM9148 [Heledd Fychan \(South Wales Central\)](#)

To propose that the Senedd:

1. Notes:

- a) the recommendations of the Thomas Commission and the Independent Commission on the Constitutional Future that policing and justice should be devolved to Wales; and
- b) that the Welsh Government's budget for 2026–27 has allocated over £100 million in spending for policing despite it not being a devolved area of responsibility.

2. Regrets:

- a) the failure of Labour's partnership in power to advance the cause of devolution in this area; and
- b) that the police precept element of council tax has increased substantially in recent years due to cuts in UK central funding.

3. Believes the UK Government's White Paper on police reforms represents a critical opportunity to devolve policing and justice powers in full, to better align services for the benefit of the people of Wales, in line with arrangements already in place in Scotland and Northern Ireland.

4. Calls on the UK Government to include a commitment to devolve policing and justice powers in full to Wales in the White Paper.

the constructive approach of the Police Reform White Paper in engaging with the unique Welsh landscape, and the commitments to work with Welsh partners to develop models of governance for Wales.

Welcomes:

a) the Welsh Government's commitment to continue advocating for the devolution of policing and justice; and

b) the Welsh Government's plans for working with partner organisations to identify the best possible future governance arrangements for policing in Wales, and the principles underlying that work, as set out in a Written Statement by the Cabinet Secretary for Social Justice, Trefnydd and Chief Whip on 27 January 2026.
