5 Welsh Liberal Democrats Debate (60 mins)

NDM5524 Aled Roberts (North Wales)

To propose that the National Assembly for Wales:

1. Supports Carers Week 2014 which recognises and celebrates the contribution of more than 370,000 unpaid carers in Wales, who provide invaluable support to family members and friends.
2. Notes the growing evidence on the incredibly demanding role of caring, which can have an adverse impact on the health, employment opportunities, social and leisure

activities of those providing unpaid care.

3. Notes the findings of the 2013 'Prepared to Care?' report which found that 75 per cent of carers were unprepared for a caring role and 81 per cent were not aware of the support available, which often leaves carers feeling vulnerable and isolated.

4. Calls on the Welsh Government to:

a) support an awareness campaign to encourage self-identification and access to support and improve public understanding of the role of carers;

b) develop information for employers to support workers seeking to balance their work and caring roles; and

c) work with education providers to provide more flexible provision to enable carers of all ages to access opportunities for education and training.

The 'Prepared to Care?' report can be found here:
