(60 mins)

NDM6505 [Paul Davies \(Preseli Pembrokeshire\)](#)

To propose that the National Assembly for Wales:

1. Notes the Welsh Government's White Paper – Services Fit for the Future – which seeks to abolish Community Health Councils in Wales.
2. Recognises the important role Community Health Councils have played in delivering independent public service accountability and providing a strong voice for patients in Wales.
3. Believes that the White Paper proposals will weaken the voice of patients and communities and reduce scrutiny of the Welsh Government and Health Boards.
4. Calls on the Welsh Government to:
 - a) extend the consultation period on the White Paper, following its failure to properly engage with Community Health Councils, patients and the Welsh public; and
 - b) work more constructively with Community Health Councils on future proposals for a new people's voice body.

The following amendments have been tabled:

Add as new point at end of motion:

Notes that a single national community health council in Scotland was regarded as not sufficiently independent of government by the Scottish Parliament's Health and Sport Committee.

To propose that the National Assembly for Wales:

2. Further calls on the Welsh Government:

a) not to sell or release any Welsh Government land for the purpose of construction of the proposed super-prison;

b) to develop the local economy through supporting businesses in the industrial park; and

c) to make representations to the UK Government in support of alternatives to large prisons.

The following amendment has been tabled:

Amendment 1. [Paul Davies \(Preseli Pembrokeshire\)](#)

Delete all and replace with:

2. Recognises the Welsh Government's role in promoting and earmarking the proposed site at Port Talbot for a new super prison in south Wales.

3. Calls on the Welsh Government to conduct a full and thorough consultation with local residents and businesses on the likely impact of developing a new prison in Port Talbot.
