1 Questions to the Cabinet Secretary for Education

The item started at 13.30

2 Questions to the Cabinet Secretary for Health and Social Services

The item started at 14.30

The first 8 questions were asked. The Presiding Officer invited party spokespeople to ask questions to the Cabinet Secretary and the Minister for Children and Social Care after question 2.

Point of Order

David Melding raised a Point of Order under Standing Order 6.15 and Standing Order 12.50 regarding the Government's announcement of a review of affordable housing supply through a written statement. He referenced endorsements from housing policy organisations, included by the Government in a press release, which alluded to the review's importance, and questioned whether its announcement was therefore more suitable as an oral statement.

The Presiding Officer thanked the Member for his Point of Order, and stated that while Government business is a matter for Welsh Ministers, they are accountable to the Assembly. She stated her expectation that Welsh Ministers should not undermine that principle by making major policy announcement outside the Chamber, so that Members are afforded the opportunity for scrutiny. The Presiding Officer also reminded Members of other opportunities available to them to bring issues to the Chamber if the Government fails to do so, and of their ability to make representations about proposed Government business through the Business Committee.

The item started at 17.11

A vote was taken on the motion without amendment:

NDM6707 [Paul Davies \(Preseli Pembrokeshire\)](#)

To propose that the National Assembly for Wales:

1. Notes that the Welsh Government Green Paper – Strengthening Local Government: Delivering for People – is the third proposal in three years put forward by the Welsh Government on local government reform.
2. Further notes that local authorities were working towards regional arrangements put forward under the Cabinet Secretary Local Government and Public Service’s predecessor.
3. Regrets that the latest proposal has caused sustained periods of uncertainty for councils and their frontline staff.
4. Is concerned by the continual top-down nature of Welsh local government reform, as shown by the lack of meaningful engagement with council leaders and Chief Executives in the preparation of this paper, as well as the absence of strategic cost and benefit analysis taken on all previous local government reform proposals.
