## 7. Debate on Benefits of Sharing Personal Health and Social Services Information

### NDM4856 Jane Hutt (Vale of Glamorgan)

To propose the National Assembly for Wales:

Recognises that the sharing of personal Health and Social Services information, supported by technology, is essential to meet the aims of Together for Health and to deliver the system change needed for integrated, sustainable health and social care that improves outcomes, supports people in need and makes care close to home a reality.

**The following amendments were tabled:**

#### Amendment 1 – William Graham (South Wales East)

Add as new point at end of motion:

Regrets that the Welsh Government's current draft budget proposals will fail to provide adequate funding for the procurement of technology systems to realise the full advantages of sharing personal Health and Social Services information.
