**9 Debate: Cardiff Airport**

(60 mins)

**NDM7290 – [Rebecca Evans \(Gower\)](#)**

To propose that the National Assembly for Wales:

1. Recognises the economic and social importance to Wales of Cardiff International Airport.
2. Welcomes that Cardiff International Airport is now responsible for the operation of Anglesey Airport's passenger terminal facility and recognises the important regional air link between north and south Wales.
3. Recognises that over 1700 people are employed at the Cardiff Airport site and the £250m of GVA benefit it brings to Wales's economy.
4. Agrees that it is vital for Wales's trading economy post-Brexit to support Cardiff Airport as part of a high quality, integrated and low carbon public transport system in Wales.
5. Notes the UK Government's interventionist approach to rescuing Flybe but calls upon the UK Government to go further to boost competitiveness by supporting the cost of regulation at the UK's smaller airports, as happens across Europe.
6. Calls upon the new UK Government to finally allow the devolution of Air Passenger Duty in full to Wales.

**The following amendments have been tabled:**

**Amendment 1 – [Darren Millar \(Clwyd West\)](#)**

Delete all and replace with:

To propose that the National Assembly for Wales:

1. Notes news that Flybe has entered administration and expresses concern about the potential adverse impact of this on the future of Cardiff Airport.

2. Calls on the Welsh Government to publish a comprehensive strategy for Cardiff Airport with the aim of returning it to the commercial sector at the earliest opportunity and at a profit to the Welsh taxpayer, and that the strategy should include plans to:

- a) invest in the airport's capital infrastructure to enable the airport to diversify and generate new sources of revenue;
- b) support route development, prioritising a direct flight link to the USA and one to Manchester given its status as a major hub in the north of England serving north Wales;
- c) develop a new marketing strategy for the airport;
- d) work with the UK Government to devolve and scrap Air Passenger Duty;
- e) improve transport links to the airport to make the airport more accessible by investing in improved road, rail and public transport links.

**Amendment 2 – [Caroline Jones \(South Wales West\)](#)**

Add as new point at end of motion:

Looks to Cardiff International Airport to make annual profits at least at the operating level, i.e. before finance costs.

**Amendment 3 – [Caroline Jones \(South Wales West\)](#)**

Add as new point at end of motion:

Calls upon the Welsh Government to seek a private sector partner to help operate and take a minority stake in Cardiff International Airport within 5 years.
