Delete all and replace with:

Regrets those parts of the United Kingdom Internal Market Bill which propose further devolution of powers to the Senedd and Welsh Government as, on the evidence of the last 20 years, the Welsh Government is likely to use them to increase regulation, restrict freedoms and undermine the competitiveness of the Welsh economy.

Amendment 5 Neil Hamilton [Mid and West Wales](#))

Add as new point at the end of the motion:

Believes that, as part of a wider plan to remedy the unsatisfactory results of devolution by, in particular, democratising the NHS and creating more local autonomy in education, and while retaining the elements of the United Kingdom Internal Market Bill which assist in rightly repatriating powers from the EU to the UK, the Senedd should be scrapped.

Amendment 6 [Gareth Bennett \(South Wales Central\)](#)
