Amendment 1 [Caroline Jones \(South Wales West\)](#)

Delete all after point 1 and replace with:

Believes that the first National Development Framework should provide a firm basis for positive strategic planning decisions which tackle climate change, encourage decarbonisation and promote well-being.

Regrets the fact that, once again, the Welsh Government has opted to place too much emphasis on on-shore wind.

Calls upon the Welsh Government to redraft the National Development Framework to focus upon achieving carbon neutral energy production from a mix of off-shore wind and tidal energy.

If Amendment 1 is agreed, Amendment 2 will be de-selected.

Amendment 2 [Darren Millar \(Clwyd West\)](#)

Delete all after point 1 and replace with:

Does not believe that the Welsh Government's National Development Framework will deliver a future for Wales which is prosperous, sustainable and provides equal opportunities for all of its citizens.

17 Voting Time
