The item started at 16.27

Voting on the motion under this item was deferred until Voting Time.

NDM7384 [Jack Sargeant \(Alyn and Deeside\)](#)

To propose that the Senedd:

1. Notes:

a) the damage poverty does to life chances and that work is no longer a guaranteed route out of poverty;

b) that the pandemic has forced more people into poverty with increasing numbers of residents having to turn to charitable support like food banks;

- c) that, even before the pandemic, UK growth was poor and we face the growing challenge of automation, placing increasing numbers of jobs at risk;
- d) that a universal basic income (UBI) gives people more control over their lives, would alleviate poverty and have an accompanying positive affect on mental health;
- e) that a UBI would create jobs and encourage people to access training opportunities;
- f) that a UBI allows people the space to become more involved in their community and support their neighbours.

2. Calls on the Welsh Government:

- a) to establish a UBI trial in Wales;
- b) to lobby the UK Government for funding to establish a Wales-wide UBI.
