Ymchwiliad i effaith argyfwng Covid-19
ar blant a phobl ifanc yng Nghymru

Inquiry into the impact of the Covid-19 outbreak on
children and young people in Wales

COV 28
Ymateb gan: Unigolyn

COV 28
Response from: Individual

My two girls age 14 and 16 have been relatively untouched by the shutdown , both kept busy with horses , school work, doing plenty around the house.

We are lucky and have our own land and a big house.

They do miss their friends but still keep in touch through social media .

They were very concerned when I went back to work as a carer but now except it as normal.
