Ymateb gan unigolyn/ Response from an individual

My family and I are members of Windsor Lawn Tennis Club in Penarth. My husband is also a member of Wenvoe Golf Club. I fail to see how my husband from next week could potentially play with a different person each day and have lessons from the coach, and yet I cannot play tennis with a member of my own family. Also my daughter cannot have a one to one lesson with her coach, where they will be on the other side of the court to each other more than 2 meters apart. I cannot see the logic to the decision not to allow some form of tennis to resume.

You talk about the welfare of people going forward in these unusual and unprecedented times, and yet this is one decision you have made that does not show logic.

Thank you for your time
