Inquiry into Covid-19 and its impact: evidence session on older people

Annwyl Dai,

As part of the Equality, Local Government and Communities Committee's ongoing inquiry into Covid-19, we will be holding various evidence sessions which will focus on the impact on specific groups. Part of our meeting on 16 June will look at older people and we have invited the Older People's Commissioner for Wales and Age Cymru to present evidence; the Commissioner has confirmed her attendance.

The impact on the human rights of older people will be the main focus of the session and given the relevance of this to the remit of the Health, Social Care and Sport Committee we would like to invite you or representatives of your Committee to join us for that session, which is currently scheduled for 3:00 – 3:45pm. Should you or any other Member wish to attend the session, arrangements can be made through our respective clerks.

Yours sincerely,

John Griffiths MS

Chair
