

P-03-273 Transportation of wind turbines in Mid Wales

Petition wording

We call upon the National Assembly for Wales to urge the Welsh Government to issue guidance to Local Planning Authorities to ensure that communities are properly consulted on wind farm developments, that impact on road infrastructure is properly assessed and that the broader effects of traffic disruption on sectors such as tourism are properly considered before any development is approved to take place. We believe the only way this can be properly concluded is by way of a public inquiry.
