

P-05-996 To call on the Welsh Government not to remove, damage or destroy any historical symbols in Wales

This petition was submitted by Aled Thomas having collected a total of 415 signatures.

Text of Petition:

The recent Black Lives Matter protests have resulted in the Welsh Government reassessing the appropriateness of statues, public buildings and street names which have links to slavery.

We believe that no public authority should remove, damage or destroy any of them
