

P-05-1027 Allow Welsh domestic football clubs to play friendlies and allow supporters to attend matches

This petition was submitted by Callum Howen having collected a total of 2,045 signatures.

Text of Petition:

At the moment, only 'elite' athletes can play football matches in Wales. These games are being played behind closed doors, without spectators.

In England, clubs below the sixth tier are now admitting spectators at a reduced capacity to friendlies, In Scotland, fans are back at PRO14 matches.

Providing clubs meet the guidelines presented, they should be allowed to play friendlies with spectators.

Additional Information:

Last season, only Caernarfon Town had an average attendance of more than 500.

Please allow Welsh clubs to have crowds of 500
