

John Griffiths MS – Chair, Equalities, Local Government and
Communities Committee

Dear John

**Auditor General for Wales Report: Rough Sleeping in Wales – Everyone’s Problem; No One’s
Responsibility**

The Auditor General for Wales published this Report in July which was considered in Public
Accounts Committee in September.

Members were of the view that as your Committee has undertaken valuable work in this
area, that I ask your Committee to consider the policy aspects discussed in the report.

The Public Accounts Committee will consider the review of Strategic Partnerships as part
of our inquiry on the Barriers to the successful Implementation of the Well-Being of Future
Generations (Wales) Act 2015 and we may possibly use that issue as a case study.

Yours sincerely,
