

## **P-05-1016 Extend the new Green Homes Grant to Wales**

This petition was submitted by Cheryl Griffiths having collected a total of 1,413 signatures.

### **Text of Petition:**

The Chancellor has announced a new Green Homes Grant to give up to £5000 in vouchers for energy efficient improvements to homes in England. The Welsh Government should implement the same in order to improve the housing stock, safeguard Welsh jobs and contribute to Welsh environmental concerns.
