Dear Mick,

Thank you for your letter relating to the Welsh Ministers' regulatory impact assessment code for subordinate legislation.

The code has not been formally reviewed since its publication in 2009. While the general approach set out in the code for producing RIAs for Welsh subordinate legislation is still considered to be broadly correct, the Welsh Government recognises that some of the terminology and references in the code need to be updated.

I have therefore instructed officials to review the code and to consult with relevant individuals and organisations on a revised code during 2020.

Yours sincerely,

A handwritten signature in black ink that reads "Rebecca Evans".
