

P-04-433 : CCTV in Slaughterhouses

Petition wording:

We call on the National Assembly to urge the Welsh Government to introduce mandatory CCTV in slaughterhouses to help vets with better regulation and monitoring, to provide footage for training and retraining, to deter some of the animal welfare abuses filmed by Animal Aid, and to provide evidence for prosecutions should they be necessary.

Petition raised by: Kate Fowler

Date petition first considered by Committee: 6 November 2012

Number of signatures: 1066
