Dear Suzy,

Finance Committee report: Implementation of the Wales Act 2014 and operation of the Fiscal Framework

The Finance Committee has published its [report into its inquiry into the implementation of the Wales Act 2014 and operation of the Fiscal Framework](#). As we approach the end of the Fifth Senedd, Members of the Committee felt it was important to reflect on the implementation of these powers and the effectiveness of the Fiscal Framework.

knowledge of WRIT and fiscal devolution, and the Committee would like to see additional engagement activity in this area as mentioned in recommendation 3.”

As you will recall the Committee has taken an interest in the Communications Strategy of the Senedd, and it would be helpful if these considerations can be incorporated within the strategy.

A Plenary debate on the Committee’s report is provisionally scheduled for Wednesday 24 March. I would be grateful for a response to this recommendation, by Tuesday 16 March to allow it to inform the debate.

Yours sincerely,
