Chair  
Petitions Committee

12 February 2021

Dear Janet

**Petition P-05-812 Implement the NICE guidelines for Borderline Personality Disorder**

Thank you for your letter dated 10 February regarding the above petition, and seeking information about whether the Health, Social Care and Sport Committee has undertaken any scrutiny of the implementation of NICE guidelines in Wales.

In response to the question in your letter, the HSCS Committee takes account of NICE guidelines where relevant during our scrutiny work, for example in respect of the Committee's work on **endoscopy services** in 2019, or the **Welsh Government's draft national dementia strategy** in 2017.

We anticipate including in our legacy report an indication of issues our successor committee in the Sixth Senedd may wish to consider. We will include a reference to the Petition Committee's suggestion in respect of the implementation of NICE guidelines in Wales.

Thank you for your continued engagement with the Health, Social Care and Sport Committee on these cross-cutting matters.

Yours sincerely

Dr Dai Lloyd MS
