Dear Elin,

The Health Protection (Coronavirus, International Travel) (Wales) (Amendment) (No. 5) Regulations 2021

In accordance with section 11A(4) of the Statutory Instruments Act 1946 I am notifying you that this Statutory Instrument will come into force less than 21 days after it has been laid. The Explanatory Memorandum that accompanies the Regulations is attached for your information.

This statutory instrument amends the Health Protection (Coronavirus, International Travel) (Wales) Regulations 2020.

From 15 February the Welsh Government introduced a ban on travellers arriving into Wales if they had been in a “red list country” in the previous 10 days. They must arrive at one of the designated ports of entry in England (or Scotland) and remain there in managed isolation for 10 days before travelling on to Wales. In addition, for arrivals from “amber list countries” exemption from isolation was made more restrictive so that isolation for 10 days is required but a person may leave isolation for a limited period for work purposes.

These Regulations add Bangladesh, Kenya, Pakistan and the Philippines to the red list of countries. These Regulations also ; allow hauliers who have been in a “red list” country to enter Wales; introduce a bespoke testing arrangement for UK and non-UK hauliers and allow boarding school students to isolate at school if they have arrived from a “red list” country.

Furthermore these regulations allow a person to leave isolation after 14 days if a test result has not been returned from the laboratory.

Not adhering to the 21 day convention allows these Regulations to come into force at the earliest opportunity and continue the four nation approach to international travel; in view of
