Inquiry into the Blue Badges Scheme in Wales: Eligibility and Implementation

Dear Dawn,

Thank you for your letter regarding the issues raised by your constituent, XX XX on the arrangements for renewing a blue badge.

Although the Committee's inquiry heard evidence on the process of renewing blue badges, we did not receive evidence specifically on the suggestion of issuing a temporary badge to a person whilst their renewal is being assessed. It would therefore be inappropriate for me to make this suggestion during the debate on the Committee's report.

However as the matter was raised with you by your constituent, I think it would be appropriate for you to use the opportunity of the Plenary debate to draw the suggestion to the Minister for Economy and Transport and the Assembly. The debate on the Committee's report is scheduled to take place on 16 October,

Yours sincerely

John Griffiths AM
Chair
