

Arfon Jones  
Office of the Police and Crime Commissioner North Wales

27 September 2016

Dear Arfon,

The National Assembly for Wales' Equality, Local Government and Communities Committee is currently in the process of a post legislative inquiry into the Violence against Women, Domestic Abuse and Sexual Violence (Wales) Act 2015.

To support my Committee's work in this area and future lines of inquiry, I am writing to the Welsh Police and Crime Commissioners to request their new Forward Work Plans and to ask how violence against women, domestic abuse and sexual violence is factored into their plans. If you would be willing to supply this information to assist the Committee, I would be very grateful.

The Equality, Local Government and Communities Committee has a wide remit with community cohesion and safety forming an important part of it. Should you wish to discuss any of the Committee's future work with me, please do not hesitate to get in touch.

I look forward to receiving your response in due course.

Kind regards

John Griffiths AC / AM  
Cadeirydd / Chair
