Annwyl Lywydd,

Meeting outside allocated time slot

I am writing to seek Business Committee's approval for the Constitutional and Legislative Affairs Committee to potentially meet on the morning of 14 May.

On 1 May, Business Managers agreed to refer the Supplementary LCM on the European Union (Withdrawal) Bill to the CLA and EAAL Committees, with a reporting deadline of 14 May, the day before the plenary debate on the Legislative Consent Motion.

Our meeting on 14 May is the only opportunity we will have to consider our report because of the Bank Holiday on 7 May. We already have two evidence sessions scheduled for that day, starting at 1.30pm. That leaves us with only an hour and a half to agree a report and any changes, arrange an amended translation and lay before the Assembly.

Having the ability to meet that morning would provide us with the flexibility we need to meet the Business Committee's deadline.

Yours sincerely,

Mick Antoniw

Chair
