

Mick Antoniw AM
Chair, Constitutional and Legislative Affairs
Committee

30 May 2018

Dear Mick

Brexit and Human Rights

Our Committee has been looking at the human rights implications of Brexit, and as part of this we wrote a joint letter to the First Minister, with the External Affairs and Additional Legislation Committee. We have now had a response to this letter, and as it touches on issues which may be of interest to your Committee, I have enclosed a copy.

We will be returning to these issues after further discussions with the External Affairs Committee.

Yours sincerely

John Griffiths AM
Chair

Croesewir gohebiaeth yn Gymraeg neu Saesneg.

We welcome correspondence in Welsh or English.
