Committee visit to Milford Haven

Dear Graham,

I wanted to thank you very much for all your hard work and assistance in making our Committee visit to Milford Haven such a success.

My fellow Committee members and I found the visit extremely useful with respect to the work we are doing on the management of Marine Protected Areas in Wales.

I would appreciate it if you could pass on our thanks to your colleagues who took the time to show us around the FPV Cranogwen.

The visit gave us valuable insight in to your work and the challenges you and your colleagues face, and we very much appreciate your time.

Yours sincerely,

Mark Reckless

Chair of the Committee on Climate Change, Environment and Rural Affairs

Croesewir gohebiaeth yn Gymraeg neu Saesneg.

We welcome correspondence in Welsh or English.
