Committee visit to Milford Haven

Dear Nick,

I wanted to thank you and members of the Pembrokeshire Coastal Forum very much for meeting with us in Milford Haven and helping to make our visit such a success.

My fellow Committee members and I found the visit extremely useful with respect to the work we are doing on the management of Marine Protected Areas in Wales.

Our discussions with you and your members gave us valuable insight in to your work and the challenges you and your colleagues face. Thank you again for your time and enthusiasm.

Yours sincerely,

Mark Reckless
Chair of the Committee on Climate Change, Environment and Rural Affairs
Croesewir gohebiaeth yn Gymraeg neu Saesneg
We welcome correspondence in Welsh or English
