Committee visit to Milford Haven

Dear Sue,

I wanted to thank you very much for all your hard work and assistance in making our Committee visit to Milford Haven such a success.

My fellow Committee members and I found the visit extremely useful with respect to the work we are doing on the management of Marine Protected Areas in Wales.

Your presentation gave us valuable insight in to your work and the challenges you and your colleagues face, and the visit to the Gann brought the issues alive for us in a way that we will never forget.

Thank you again for helping to organise the visit and for your time and enthusiasm on the day. I look forward to seeing you again on 30 March.

Yours sincerely,

Mark Reckless

Chair of the Committee on Climate Change, Environment and Rural Affairs
