Dear Elin

The Health Protection (Coronavirus, International Travel, Operator Liability and Public Health Information to Travellers) (Wales) (Miscellaneous Amendment) (No. 2) Regulations 2021

In accordance with section 11A(4) of the Statutory Instruments Act 1946 I am notifying you that this Statutory Instrument will come into force from 04:00 hours Saturday 29 May, less than 21 days after it has been laid. A copy of the instrument and the Explanatory Memorandum that accompanies it are attached for your information.

This statutory instrument amends the Health Protection (Coronavirus, International Travel) (Wales) Regulations 2020, the Health Protection (Coronavirus, International Travel, Pre-Departure Testing and Operator Liability) (Wales) (Amendment) Regulations 2021 and the Health Protection (Coronavirus, Public Health Information for Persons Travelling to Wales etc.) Regulations 2020.

These Regulations extend the expiry date of the International Travel Regulations, the Operator Liability Regulations and the Passenger Information Regulations to 31 May 2022. They also amend the exemption from the prohibition on entry for red list travellers for masters and seamen and inspectors and surveyors of ships arriving in Wales from red list countries. The amendment excludes from the exemption, such persons arriving in Wales to work on, or having worked on cruise vessels.

Not adhering to the 21 day convention allows these Regulations to come into force at the earliest opportunity and continue the four nation approach to international travel; in view of the changing evidence on risk in relation to this disease this is considered necessary and justifiable in this case.
