Dear Mike,

### Legislative Consent Memorandum on the UK Agriculture Bill

Thank you for your letter of 8 January drawing the House of Commons' Environment, Food and Rural Affairs Committee's attention to your committee's report on the Legislative Consent Memorandum to the UK Agriculture Bill.

As you know, my Committee has recently conducted an inquiry into the Agriculture Bill and proposed amendments in its Report. I am hopeful that these are adopted when the Bill returns to the House from its Committee stage. I was pleased to be notified of your Committee's conclusions, and would be grateful to learn of any further developments which might aid my Committee's scrutiny of the Bill as it continues its passage through Parliament.

Yours sincerely  
Neil Parish
