18 July 2017

Dear Lord Deben,

Invitation to attend the National Assembly for Wales' Expert Reference Group on Climate Change

The Climate change, Environment and Rural Affairs Committee of the National Assembly for Wales is carrying out scrutiny into how prepared we are as a nation to meet our obligations to reduce emissions and achieve wider climate change targets.

In February of this year, the Committee established an Expert Reference Group on Climate Change to draw together expertise to underpin this work.

Following the publication of the 'Report to Parliament – Progress in preparing for climate change', we would like to invite you, or a representative from UKCCC, to our next meeting on 18 September 2017 in Cardiff Bay. We are hoping to discuss the climate change risks and adaptation measures for Wales, in particular.

I would be grateful if you could let me know your availability for this meeting. We look forward to welcoming you to our group,

Yours sincerely,

Mike Hedges AM

Chair of the Climate Change, Environment and Rural Affairs Committee
