Dear Janet,

Thank you for your further letter of 16 February on behalf of the Petitioner regarding Petition P-05-1045 and shared-decision making and monthly mental health care-plan reviews.

The further comments and proposals received will continue to inform our work that we outlined in our previous response. We will also share this information with our mental health programme leads in order to support their work.

Please also be assured that all future work in this area will involve service users and carers with lived experience in order to provide opportunities to inform our ongoing policy response. I also want to take this opportunity to reiterate that it is important that the petitioner discuss their concerns directly with their health board to ensure that the investigations into this incident consider their experiences fully.

Thank you again for writing to me on this matter.

Yours sincerely,

Vaughan Gething AS/MS
