1.2.1. How are Ministers using opportunities to engage young people in climate and environmental issues, raise eco-literacy and address climate change anxiety? (as highlighted by Delyth Jewell MS: BBC coverage – [Climate change anxiety – young people feel hopeless](#)).

1.2.2. What opportunities are offered by Welsh Government initiatives including Plant! and the Wales National Forest and by activities such as outdoor classrooms, community tree nurseries and tree planting? How might Coed Cadw – the Woodland Trust further develop the free tree packs it makes available to schools and community groups in Wales?
