Beth yn eich barn chi yw'r prif flaenoriaethau neu'r materion y dylai'r Pwyllgor eu hystyried yn ystod y Chweched Senedd? Os oes modd, nodwch eich barn o ran sut y gallai'r Pwyllgor fynd i'r afael â hyn.

What do you consider to be the main priorities or issues that the Committee should consider during the Sixth Senedd? Where possible, please set out your view about how the Committee could address them.

**Thema 1: Addysg oedran ysgol | Theme 1: School-age education**

Children with ADHD should be given a fair share of education with teachers trained to deal with this vulnerable group. At present too many children with this condition are punished for behaviours they are not able to avoid.

**Thema 2: Addysg bellach ac addysg uwch | Theme 2: Further and higher education**

This year's pandemic has led to many children failing in subjects they were not adequately taught in. Extra resources need to be given to FE colleges to allow those who struggled to be helped.

**Thema 3: Iechyd a lles, gan gynnwys gofal cymdeithasol (i'r graddau y maent yn ymwneud â phlant a phobl ifanc) | Theme 3: Health and well-being, including social care (as they relate to children and young people)**

More training for front line staff to enable them to support parents who are struggling with the behaviour of their children.

**Thema 4: Plant a phobl ifanc | Theme 4: Children and young people**

More resources into activities for children outside school so poorer children can engage in more sporting activities.
