The Rt Hon. The Lord Goldsmith OC Chair, House of Lords International Agreements Committee

14 October 2021

Dear Lord Goldsmith

International agreements

As outlined in our <u>letter to you on 28 September 2021</u>, my Committee is responsible for monitoring the implementation of non-trade international agreements in the Sixth Senedd, and we have agreed to share with you all of our reports following consideration of each such agreement.

During our meeting on 11 October 2021 we considered three international agreements, and agreed to note these for information only. You may wish to be aware that the section on devolution ordinarily included in explanatory memoranda to international agreements is missing from the UK/Albania: Readmission of Persons agreement. Therefore, there is no information available on whether the Welsh Government was consulted in the drafting of this agreement and neither is there clarity on the UK Government's view on devolved legislative competence.

Our latest report is enclosed for your information.

Yours sincerely,

Huw Irranca-Davies

Chair
