

Baroness Hayter of Kentish Town
Chair, House of Lords International Agreements Committee

9 November 2021

Dear Lady Hayter

International agreements

As outlined in my letter to your predecessor, Lord Goldsmith, on 28 September 2021, my Committee is responsible for monitoring the implementation of non-trade international agreements in the Sixth Senedd, and we have agreed to share with you all of our reports following consideration of each such agreement.

During our meeting on 1 November 2021 we considered three international agreements, and agreed to take further action on one agreement and to note the other two for information only.

Our latest report is enclosed for your information.

Yours sincerely,

Huw Irranca-Davies
Chair
