John Griffiths MS  
Chair, Local Government and Housing Committee

18 March 2022

Dear John,

The Climate Change, Environment and Infrastructure Committee has agreed to undertake an initial piece of work on the decarbonisation of housing.

This work will take place on 28 April when the Committee expects to hear from several panels of expert witnesses.

Should you or any other member of the Local Government and Housing Committee wish to attend the meeting, you are welcome to contact the Committee Clerking team who will make the necessary arrangements.

I have asked officials to keep the Clerk of the Local Government and Housing Committee updated on the progress of this work.

Yours sincerely,

Llyr Gruffydd MS,  
Chair, Climate Change, Environment and Infrastructure Committee
