Use of 'fire and rehire' by Welsh public sector bodies

Dear Darren,

Thank you for your letter of 25 April in relation to the Public and Commercial Services Union's (PCS) concerns about the potential use of 'fire and rehire' by Audit Wales and the Public Services Ombudsman for Wales.

As your letter mentions, the Finance Committee is responsible for the oversight of these two public bodies. The Committee considers the oversight arrangements of these bodies alongside scrutiny of their budgets in the autumn.

I will therefore share your concerns with members of the Committee and we will follow-up on these issues during scrutiny later in the year. The sessions will likely take place in October/November and you can access the agendas, when available, via the [Committee's website](#). You can also contact the Clerk, Owain Roberts, on 0300 200 6388.

Yours sincerely,

Peredur Owen Griffiths MS

Chair of the Finance Committee
