Dear Paul

Petition P-06-1263 Control pollution from agriculture in the parts of the Wye and Severn River located in Wales

The Petitions Committee considered the above petition at our meeting on 9 May, alongside correspondence from the Minister for Rural Affairs and North Wales and Trefnydd.

At the meeting members acknowledged that your Committee is currently undertaking a review of the Water Resources (Control of Agricultural Pollution) (Wales) Regulations 2021 and agreed to write to you in order to ask whether the issues raised by the petition could be considered as part of that work.

Further information about the petition, including related correspondence, is available on our website at: <https://business.senedd.wales/ielssueDetails.aspx?Ild=39089&Opt=3>.

If you have any queries, please contact the Committee clerking team at the e-mail address below, or on 0300 200 6454.

I would be grateful if you could send your response by e-mail to the clerking team at petitions@senedd.wales.

Yours sincerely

Jack Sargeant MS
