Dear Russell,

Thank you for your letter of 21 March in relation to the provisional common frameworks for Public Health Protection and Health Security; Blood Safety and Quality; and Organs, Tissues and Cells (apart from embryos and gametes). I note the Committee's recommendations in relation to these frameworks.

Until all legislatures in the UK have had the opportunity to complete scrutiny, we will be unable to address these recommendations formally.

Please accept this letter as a holding reply and be assured, we will consider these recommendations as soon as possible. I commit to providing a full response as soon as practicable.

Yours sincerely,
