Dear Janet,

I am writing in response to the supplementary question you raised during Plenary on 24th June asking how many applications had been received for Sport Wales' "Calls 4 Action" programme.

This £3 million investment has been made available to tackle inequalities within sport. Funding will be made available for projects to encourage women and young girls, people with disabilities, children from deprived communities and from black and minority ethnic backgrounds to participate more regularly.

I understand that Sport Wales are currently assessing 144 applications to determine which ones will progress.

I am copying to Assembly Members for information.

Yours,

John Griffiths AC / AM
