Dear Kirsty,

You raised adoption services during business question on the 3 November. I enclose a copy of recently published annual report of the new national adoption service which contains information relevant to the matters you raised.

You know that the Children and Young People Committee has recently confirmed its intention to carry out a piece of work into adoption service in the early part of 2016. I am due to give evidence to committee on the 10th of February. I will ensure a copy of my evidence paper is sent to your office.

*Best wishes
Mark.*
