Dear Paul,

**RE: Correction regarding the date for the Alternative Measures process of the Water Resources (Control of Agricultural Pollution)(Wales) Regulations 2021**

During the evidence provided to the Economy, Trade and Rural Affairs Committee on I incorrectly stated the deadline for the submission of proposals via the Regulation 45 Alternative Measures process was the 1 September 2022. The correct date is the 1 October 2022 and I welcome any submissions made under this process.

Officials have previously been in contact with the committee clerks and the record has been corrected.

Regards,

**Lesley Griffiths AS/MS**
