

P-03-298 Financing the provision of Welsh-language resources for people with dyslexia

Petition wording

We call on the National Assembly for Wales to encourage the Welsh Government to fund Wales Dyslexia so that it can develop some of the resources that were recommended by the Enterprise and Learning Committees report, entitled Support for People with Dyslexia in Wales, which was published in July 2008, with a follow-up report published in October 2009. These include a Welsh-language screening test, dedicated and appropriate Welsh-language resources and meeting the costs of the free Wales Dyslexia helpline.
